Visit Greece, an amazing country

Mainland

Explore unspoilt fishing villages full of tranquil charm, tower towns, traditional stone built villages or try the exciting city breaks. Visit archaeological sites, learn more about the country's fascinating culture, travel along the spectacular coastline and enjoy its picture-perfect scenery!

The islands

The country includes 6,000 islands and islets scattered in the Greek Seas, of which only 227 islands are inhabited. The Greek coastline offers a diverse landscape: beaches stretching over many kilometres, sheltered bays and coves, sandy beaches, sand-dunes, pebble beaches, wetlands and deltas, caves formed by seawater and dark-coloured sand in volcanic areas.

Explore the beautiful Greek islands!

Discover Greece's:

Culture

Discover findings from the Prehistoric and Archaic Periods, unique works from Classical, Hellenistic, Medieval and Byzantine monuments, as well as creations from folk art cultures, different civilisations and religions, coexisting with current creations, modern and contemporary art.

Holidays/Beaches

Greece has one of the longest coastlines in the world – almost 16.000km! The mainland and island areas offer a large number of beautiful beaches, charming bays and coves. Every Greek beach is engulfed in beauty. Some are lush-green with pines reflecting in the water, others were born from volcanic eruptions demonstrating nature's power.

Leisure

Greece is famous for its vivid nightlife, the fun lasts until the early hours of the morning, every day of the week! Satisfy all your desires either in the city, mainland or island. Take your pick!

Gastronomy

It has a history of around 4000 years, with special characteristics based on pure and unique quality products of the Greek land. Its culinary secrets are: quality fresh ingredients, fine use of flavourings, the famous Greek olive oil and simplicity!

Religious

The oldest yet most interesting form of tourism in the history of mankind is present all over Greece. People would travel to awe-inspiring religious sites throughout the country since antiquity to express their religious sentiments, strengthen their faith and connection to God. Orthodox monuments are harmoniously integrated in untouched nature and are part of Greece's cultural heritage. Both on the mainland and on the islands, you will come across a large number of Byzantine churches, Christian basilicas, and age-old monasteries promising to travel you back in time.

Nature

The Greek countryside is rich in diversity; mountains, forests, gorges, rivers, lakes, caves, volcanoes, lagoons, you name it! Its landscape, mainly mountainous, is home to a large variety of flora and fauna, making it ideal for travelling amongst the green embrace of nature.
